

§ 243.5

12 CFR Ch. II (1–12 Edition)

(i) *Contact information.* Each resolution plan shall identify a senior management official at the covered company responsible for serving as a point of contact regarding the resolution plan of the covered company, and include contact information (including phone number, email address, and physical address) for a senior management official of the material entities of the covered company.

(j) *Inclusion of previously submitted resolution plan informational elements by reference.* An annual submission of or update to a resolution plan submitted by a covered company may include by reference informational elements (but not strategic analysis or executive summary elements) from a resolution plan previously submitted by the covered company to the Board and the Corporation, provided that:

(1) The resolution plan seeking to include informational elements by reference clearly indicates:

(i) The informational element the covered company is including by reference; and

(ii) Which of the covered company's previously submitted resolution plan(s) originally contained the information the covered company is including by reference; and

(2) The covered company certifies that the information the covered company is including by reference remains accurate.

(k) *Exemptions.* The Board and the Corporation may jointly exempt a covered company from one or more of the requirements of this section.

§ 243.5 Review of resolution plans; re-submission of deficient resolution plans.

(a) *Acceptance of submission and review.* (1) The Board and Corporation shall review a resolution plan submitted under section this subpart within 60 days.

(2) If the Board and Corporation jointly determine within the time described in paragraph (a)(1) of this section that a resolution plan is informationally incomplete or that substantial additional information is necessary to facilitate review of the resolution plan:

(i) The Board and Corporation shall jointly inform the covered company in writing of the area(s) in which the resolution plan is informationally incomplete or with respect to which additional information is required; and

(ii) The covered company shall resubmit an informationally complete resolution plan or such additional information as jointly requested to facilitate review of the resolution plan no later than 30 days after receiving the notice described in paragraph (a)(2)(i) of this section, or such other time period as the Board and Corporation may jointly determine.

(b) *Joint determination regarding deficient resolution plans.* If the Board and Corporation jointly determine that the resolution plan of a covered company submitted under § 243.3(a) is not credible or would not facilitate an orderly resolution of the covered company under the Bankruptcy Code, the Board and Corporation shall jointly notify the covered company in writing of such determination. Any joint notice provided under this paragraph shall identify the aspects of the resolution plan that the Board and Corporation jointly determined to be deficient.

(c) *Resubmission of a resolution plan.* Within 90 days of receiving a notice of deficiencies issued pursuant to paragraph (b) of this section, or such shorter or longer period as the Board and Corporation may jointly determine, a covered company shall submit a revised resolution plan to the Board and Corporation that addresses the deficiencies jointly identified by the Board and Corporation, and that discusses in detail:

(1) The revisions made by the covered company to address the deficiencies jointly identified by the Board and the Corporation;

(2) Any changes to the covered company's business operations and corporate structure that the covered company proposes to undertake to facilitate implementation of the revised resolution plan (including a timeline for the execution of such planned changes); and

(3) Why the covered company believes that the revised resolution plan

is credible and would result in an orderly resolution of the covered company under the Bankruptcy Code.

(d) *Extensions of time.* Upon their own initiative or a written request by a covered company, the Board and Corporation may jointly extend any time period under this section. Each extension request shall be supported by a written statement of the covered company describing the basis and justification for the request.

§ 243.6 Failure to cure deficiencies on resubmission of a resolution plan.

(a) *In general.* The Board and Corporation may jointly determine that a covered company or any subsidiary of a covered company shall be subject to more stringent capital, leverage, or liquidity requirements, or restrictions on the growth, activities, or operations of the covered company or the subsidiary if:

(1) The covered company fails to submit a revised resolution plan under § 243.5(c) within the required time period; or

(2) The Board and the Corporation jointly determine that a revised resolution plan submitted under § 243.5(c) does not adequately remedy the deficiencies jointly identified by the Board and the Corporation under § 243.5(b).

(b) *Duration of requirements or restrictions.* Any requirements or restrictions imposed on a covered company or a subsidiary thereof pursuant to paragraph (a) of this section shall cease to apply to the covered company or subsidiary, respectively, on the date that the Board and the Corporation jointly determine the covered company has submitted a revised resolution plan that adequately remedies the deficiencies jointly identified by the Board and the Corporation under § 243.5(b).

(c) *Divestiture.* The Board and Corporation, in consultation with the Council, may jointly, by order, direct the covered company to divest such assets or operations as are jointly identified by the Board and Corporation if:

(1) The Board and Corporation have jointly determined that the covered company or a subsidiary thereof shall be subject to requirements or restrictions pursuant to paragraph (a) of this section; and

(2) The covered company has failed, within the 2-year period beginning on the date on which the determination to impose such requirements or restrictions under paragraph (a) of this section was made, to submit a revised resolution plan that adequately remedies the deficiencies jointly identified by the Board and the Corporation under § 243.5(b); and

(3) The Board and Corporation jointly determine that the divestiture of such assets or operations is necessary to facilitate an orderly resolution of the covered company under the Bankruptcy Code in the event the company was to fail.

§ 243.7 Consultation.

Prior to issuing any notice of deficiencies under § 243.5(b), determining to impose requirements or restrictions under § 243.6(a), or issuing a divestiture order pursuant to § 243.6(c) with respect to a covered company that is likely to have a significant impact on a functionally regulated subsidiary or a depository institution subsidiary of the covered company, the Board—

(a) Shall consult with each Council member that primarily supervises any such subsidiary; and

(b) May consult with any other Federal, state, or foreign supervisor as the Board considers appropriate.

§ 243.8 No limiting effect or private right of action; confidentiality of resolution plans.

(a) *No limiting effect on bankruptcy or other resolution proceedings.* A resolution plan submitted pursuant to this part shall not have any binding effect on:

(1) A court or trustee in a proceeding commenced under the Bankruptcy Code;

(2) A receiver appointed under Title II of the Dodd-Frank Act (12 U.S.C. 5381 *et seq.*);

(3) A bridge financial company chartered pursuant to 12 U.S.C. 5390(h); or

(4) Any other authority that is authorized or required to resolve a covered company (including any subsidiary or affiliate thereof) under any other provision of Federal, state, or foreign law.
